Christa Dean
Section of Environmental Analysis
Surface Transportation Board
1925 K Street, NW
Washington, DC 20423

Dear Ms. Dean:

The Lee County Board of Supervisors at this point and time have no environmental concerns over the issue of a new rail line construction project requested by Roquette America in Keokuk, Iowa.

If some environmental issues develop in the future that warrant your concern the Board will contact you directly.

Sincerely,

Rick Larkin
Chair, Lee County Board of Supervisors
